

# Eugene Ishimov

Front-end developer (React)

## About me

Meticulous web developer with over 2 years of front end experience and passion for responsive website design and a firm believer in the mobile-first approach. I am a hardworking and ambitious individual with a great passion for the IT industry. I have excellent communication skills, enabling me to effectively communicate with a wide range of people. I am seeing a part-time position in the industry in which I can put into practice my knowledge and experience, ultimately benefiting the operations of the organisation that I work for.
